Celanese Announces Price Increases on Hostaform® and Celcon® Specialty Polyacetal (POM) Grades

DALLAS (June 8, 2015) – Celanese Corporation (NYSE: CE), a global technology and specialty materials company, today announces price increases on its Hostaform® and Celcon® specialty polyacetal (POM) grades including tribological, electrostatic, high impact, custom colors and other functionalized grades.

Effective July 1, 2015:

- prices for the above grades in full truckload/container quantities will increase by 8.5 percent, or as contracts allow.
- prices for certain specialty color grades will increase 50 percent, or as contracts allow.

For less-than-full truckload quantities, appropriate upcharges will apply.

Celanese continues to support its customers globally with a growing specialty portfolio of polyacetals and functionalized grades. The company is committed to enhancing its specialty product offerings and capabilities through ongoing investments in compounding assets, technologies, and product and application expertise.

Customers should contact their Celanese account manager for more information.
