Celanese Announces Price Increases Across Asia

DALLAS and SHANGHAI (October 9, 2017) – Celanese Corporation (NYSE: CE), a global technology and specialty materials company, will increase list and off-list selling prices for the following products. The price increases below will be effective immediately, or as contracts otherwise allow, and are incremental to previously announced increases.

Product	China (RMB/MT)	Asia outside China (USD/MT)
Ethyl Acetate	¥500	\$80
Butyl Acetate	¥300	\$50
Acetic Acid	¥400	\$80
Acetic Anhydride	¥450	\$100

Customers should contact their Celanese sales representative for more details.

About Celanese

Celanese Corporation is a global technology leader in the production of differentiated chemistry solutions and specialty materials used in most major industries and consumer applications. Our two complementary business cores, Acetyl Chain and Materials Solutions, use the full breadth of Celanese's global chemistry, technology and business expertise to create value for our customers and the corporation. As we partner with our customers to solve their most critical business needs, we strive to make a positive impact on our communities and the world through The Celanese Foundation. Based in Dallas, Celanese currently employs approximately 7,500 employees worldwide and had 2016 net sales of \$5.4 billion.
