## **Celanese Announces Cash Tender Offer for up to €300,000,000 Aggregate Principal Amount Of Celanese US Holdings LLC’s 1.125% Senior Notes Due 2023**

**DALLAS** (Wednesday, August 25, 2021) – Celanese Corporation (NYSE: CE) (“Celanese”), a global chemical and specialty materials company, today announced that Celanese US Holdings LLC, a direct wholly-owned subsidiary of Celanese (the “Company”) has commenced a cash tender offer to purchase (the “Tender Offer”) up to an aggregate principal amount not to exceed €300,000,000 (as it may be increased or decreased by the Company in its sole discretion, the “Maximum Acceptance Amount”), of its outstanding 1.125% Senior Notes due 2023 (ISIN: XS1492691008) (the “Notes”), subject to the terms and conditions set forth in the Offer to Purchase dated August 25, 2021 (as it may be amended or supplemented from time to time, the “Offer to Purchase”). Capitalized terms used in this announcement but not defined have the meaning given to them in the Offer to Purchase.

The Tender Offer will expire at 11:59 p.m., New York City Time, on September 22, 2021 (unless the Tender Offer is extended or terminated) (such time and date, as the same may be extended, the “Expiration Time”). To be eligible to receive the “Total Consideration” which will be calculated based upon the Fixed Early Tender Yield as set forth in the table below, which includes an early tender premium of €30.00 per €1,000 principal amount of the Notes accepted for purchase pursuant to the Tender Offer (the “Early Tender Premium”), Holders must validly tender and not validly withdraw their Notes at or prior to 5:00 p.m., New York City Time, on September 8, 2021 (unless extended or terminated) (such date and time, as the same may be extended, the “Early Tender Time”). Holders who validly tender their Notes after the Early Tender Time and at or prior to the Expiration Time will be eligible to receive only the Tender Offer Consideration, which is an amount equal to the Total Consideration less the Early Tender Premium. Holders who tender their Notes prior to the Early Tender Time may withdraw such Notes at any time prior to the Early Tender Time.

The following table sets forth certain terms of the Tender Offer:

Title of Security	ISIN	Outstanding Principal Amount	Maximum Acceptance Amount <sup>(1)</sup>	Early Tender Premium <sup>(2)</sup>	Fixed Early Tender Yield (%) <sup>(3)</sup>	Hypothetical Total Consideration <sup>(2)(3)</sup>	Hypothetical Tender Offer Consideration <sup>(4)(5)</sup>
1.125% Senior Notes due 2023 (the “Notes”)*	XS1492691008	€750,000,000	€300,000,000	€30.00	-0.40	€1,027.35	€997.35

\* Listed on the New York Stock Exchange. The Notes may be redeemed by the Company at par plus accrued interest on any date from June 26, 2023.

(1) Subject to increase or decrease in the Company’s sole discretion.

(2) For each €1,000 principal amount of Notes tendered at or prior to the Early Tender Time and accepted for purchase.

(3) The Total Consideration shall be calculated from the Fixed Early Tender Yield, as described in the Offer to Purchase, and already includes the Early Tender Premium when calculated in such a manner. For information purposes only, the

Total Consideration in respect of the Notes will, when determined in the manner described in the Offer to Purchase on the basis of an Early Settlement Date of September 13, 2021, be €1,027.35 per €1,000 in principal amount of the Notes. Should the Early Settlement Date differ from September 13, 2021, the Total Consideration will be recalculated as further described in the Offer to Purchase. For avoidance of doubt and in accordance with market convention, the Total Consideration will be calculated with reference to the first date on which the Company may exercise the optional redemption feature at par, being June 26, 2023, and assuming the full payment of principal on such date. The Total Consideration does not include Accrued Interest, which will also be paid in addition to the Tender Offer Consideration and the Total Consideration (as applicable)

- (4) For each €1,000 principal amount of Notes tendered after the Early Tender Time and at or prior to the Expiration Time and accepted for purchase.
- (5) The Tender Offer Consideration shall be equal to the Total Consideration minus the Early Tender Premium. Should the Early Settlement Date differ from September 13, 2021, the Tender Offer Consideration will be recalculated based upon the Total Consideration minus the Early Tender Premium.

In addition to the Tender Offer Consideration or the Total Consideration, as applicable, all Holders of Notes accepted for purchase will also receive accrued and unpaid interest on such Notes, rounded to the nearest cent per €1,000 principal amount of Notes, from the last interest payment date up to, but not including, the Early Settlement Date or the Final Settlement Date (each as defined below), as applicable.

Acceptance of Notes may be subject to proration if the aggregate principal amount of the Notes validly tendered and not validly withdrawn as of the Early Tender Time or the Expiration Time, as applicable, is greater than the Maximum Acceptance Amount. Notes tendered at or prior to the Early Tender Time will be accepted for purchase in priority to Notes tendered after the Early Tender Time, and to the extent Notes are tendered at or prior to the Early Tender Time and accepted for purchase pursuant to the Tender Offer, the portion of the Maximum Acceptance Amount available for the purchase of Notes tendered after the Early Tender Time will be reduced or may be eliminated completely.

The Tender Offer is conditioned upon, among other things, the Company (in its sole discretion) being satisfied that it has received, or will receive, by the Early Settlement Date an amount of net proceeds from the sale of a new series of notes to be denominated in euros (the “New Notes”) in an offering (the “New Notes Offering”) to be announced by the Company, subject to market conditions, which such amount of net proceeds would be sufficient to finance the payment by the Company of the sum of the Total Consideration and the Tender Offer Consideration with respect to all Notes validly tendered and accepted for purchase pursuant to the Offer to Purchase.

When considering allocation of the New Notes, the Company may give preference to those Holders who, prior to such allocation, have validly tendered or have given a firm intention to the Company or any Dealer Manager that they intend to tender their Notes for purchase pursuant to the Offer. Therefore, a Holder who wishes to subscribe for New Notes in addition to tendering its existing Notes for purchase pursuant to the Offer may be eligible to receive, at the sole and absolute discretion of the Company, priority in the allocation of the New Notes, subject to the issue of the New Notes and such Holder making a separate application for the purchase of such New Notes to a joint bookrunner of the issue of the New Notes in accordance with the standard new issue procedures of such joint bookrunner. However, the Company is not obliged to allocate any New Notes to a Holder who has validly tendered or indicated a firm intention to tender its Notes for purchase pursuant to the Offer and, if New Notes are allocated, the principal amount thereof may be less or more than the principal amount of Notes tendered by such Holders and accepted for purchase by the Company pursuant to the Offer. The pricing of the New Notes is expected to take place prior to the Early Tender Time and, as such, Holders are advised to contact a Dealer Manager as soon as possible prior to the Early Tender Time to provide a firm intention that they

intend to tender Notes for purchase pursuant to the Offer. Please refer to the Offer to Purchase for further details.

The purpose of the Tender Offer and the New Notes Offering is to proactively manage the Company's debt profile and to extend the weighted average maturity of the Company's debt.

It is expected that payment for Notes validly tendered at or prior to the Early Tender Time and accepted by the Company will be made promptly following the Early Tender Time, on September 13, 2021 (the "Early Settlement Date"), and payment for Notes validly tendered after the Early Tender Time but at or prior to the Expiration Time and accepted by the Company will be made on September 24, 2021 (the "Final Settlement Date").

Subject to applicable law and the terms and conditions of the Offer to Purchase, the Company may terminate the Tender Offer, waive any or all of the conditions of the Tender Offer prior to the Expiration Time, extend the Expiration Time or amend the terms of the Tender Offer.
