Country by Country Report

Fiscal Year Ended December 2025

As of June 30th, 2026

Spanish Country by Country (CbCR) Data

The data set out below is published on behalf of the subsidiary companies that are Spanish tax residents of the Celanese Corporation, in order to meet the Public CbCR requirements applicable in Spain, as required by the Eleventh Additional Provision ("11th AP") of Law 22/2015.

Publication of the Spanish only subsidiary CbCR data is provided initially due to the accelerated six month reporting timetable in Spain. The information to prepare a full EU CbCR on income tax was not made available to the Spanish subsidiaries within this accelerated timeframe; as the preparation, review and approval process for the full Celanese Corporation EU CbCR is aligned with the standard twelve month reporting timetable set out in the Directive.

The Spanish subsidiaries of Celanese Corporation do not maintain standalone websites in order to publish this report, so it is maintained on the primary website https://www.celanese.com.

It is anticipated that this Spanish only subsidiary CbCR data will be superseded by the publication of a full EU CbCR on income tax information at group level by December 31, 2026 as required by Chapter 10a of Directive 2013/34/EU .
